A special Christmas

Christmas is a joyful festival to me because my birthday is on boxing day. At Christmas, I decorate my house with my family. My house becomes beautiful. I gathered with my relatives and friends last Christmas.

Under Covid-19, I will stay at home with my family for a Christmas party this year. My mother will prepare my favourite yummy food. Besides, I will have a zoom party with my aunts. I believe it will be a memorable Christmas.

Every year, Santa Claus visits me and gives me a gift. I worry that he cannot travel to Hong Kong this year. I hope he can take care of himself.

A special Christmas

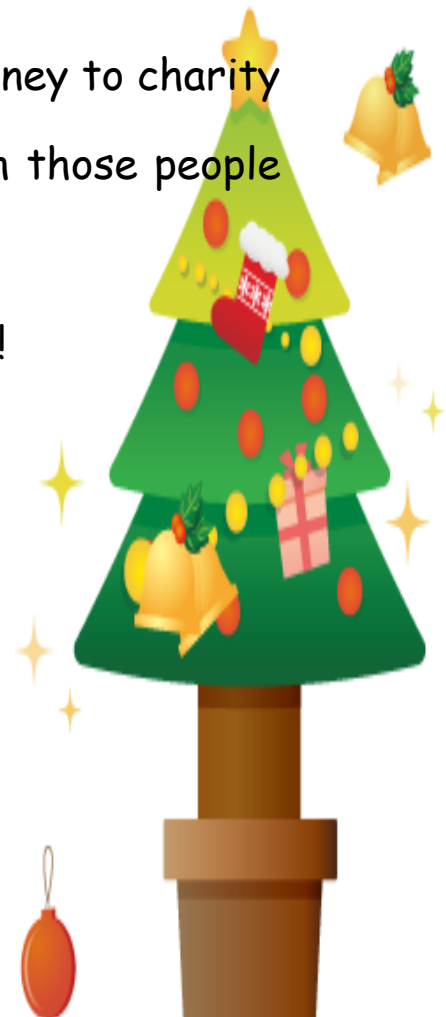

I usually go travelling with my family at Christmas. Last year, we went to Bangkok for five days. It was a joyful and memorable trip.

However, we cannot go travelling again this year because of Covid-19. We are so disappointed.

We are planning to prepare a yummy Christmas dinner and watch a Disney movie at home. The table will be full of hamburgers, sausages and chicken wings.

My sister and I will donate our pocket money to charity organizations. We want to share our love with those people in need.

Merry Christmas! Stay happy and healthy!

A special Christmas

Apart from Halloween, Christmas is also my favourite festival. Last year, I went to eat Christmas dinner with my family. I was very happy because dad and mum gave me a big Christmas gift. They also brought me to watch Christmas lights in Tsim Sha Tsui and I enjoyed it very much.

However, I don't think I can do the same this year because Hong Kong is under the pandemic of Covid-19. Although dad and mum planned to go Staycation in Ocean Park Hotel with me, they finally cancelled the booking because of the serious outbreak. Anyway, they promise to decorate our house with me and celebrate Christmas at home. I will make a Christmas wish to Santa Claus and hope that the disease will disappear soon.

A special Christmas

At Christmas, I usually watch Christmas lights and have Christmas dinner with my mum, dad, grandma, uncle, aunt and my cousins. Last year, we went to Tsim Sha Tsui to celebrate Christmas. The Christmas lights were beautiful and the Christmas dinner was yummy. We felt joyful.

This year, under Covid-19, my family cannot go outside to have Christmas dinner. But I will have dinner with my mum and dad at home at Christmas Eve. I will help my mum cook the meal. We will have spaghetti, chicken, fish, vegetables and ice-cream. I will decorate my house with a mini Christmas tree and banners. We may go to take photos of Christmas lights at Wan Chai. I will make Christmas cards and send to my friends. I wish they will have a happy Christmas.

A special Christmas

I had dinner buffet with my family last Christmas Eve. We watched Christmas lights in Tsim Sha Tsui last year. But we can only stay at home this year because of Covid-19.

We plan to have Christmas dinner with my friends. They live near my home, only five minutes walking distance. I will bake a Christmas cake on that day. My brother will help cook some food, such as chicken wings, sandwiches and French fries.

I feel tried to stay at home. I want to play in the park. Covid-19, please go away.

Merry Christmas!
