Chinese New Year

Chinese New Year is in February this year. It is the year of Ox. I think it is a great festival because I will have red packets. It is the greatest year because you can eat turnip cakes, dumplings, oranges, etc. You can go to New Year fair to buy beautiful flowers and sweets.

We decorate our house before Chinese New Year comes. My dad buys a lego set for me as a present. He gives my brother a box of lego, too. We are so happy. When we go out to have dinner, we will wear Chinese New Year clothes. We will get red couplets from our relatives too. I enjoy it very much.
