My Singapore trip and Gareth

Gareth is my cousin. He is two years old. He lives in Singapore. I go to Singapore with my mother on 25 July, 2019. We go to Jewel Shop with Aunty Gloria, Uncle Errol and Gareth. We watch the Water Fall Light Show and have dinner together.

On the second day, mum and I go to Kidzania. I play different roles at there, for example, a pilot, a driver and a fire-fighter etc. I like all the roles.

I go back to Hong Kong on 31 July, 2019. We stay in Singapore for around a week. I like the trip very much. I really want to go back there soon.

Dolphin watching

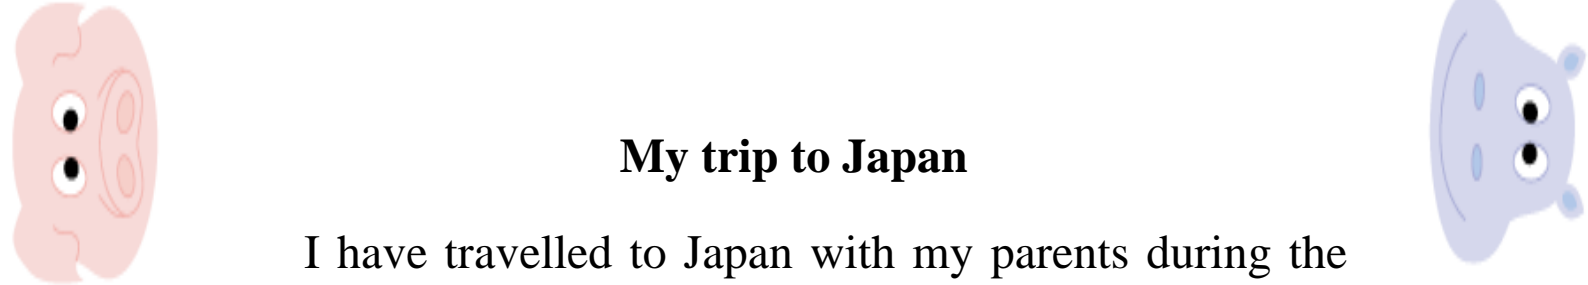

I go to Kagoshima in summer holiday with my family.
We take a boat to meet the dolphins in the beautiful blue sea. There are more than 200 dolphins living in the offshore.

Dolphins show up with playful jumps and play with the waves. We can hear their sound. It is fun and a good experience for me. I love it.

My trip to Japan

I have travelled to Japan with my parents during the summer holiday.

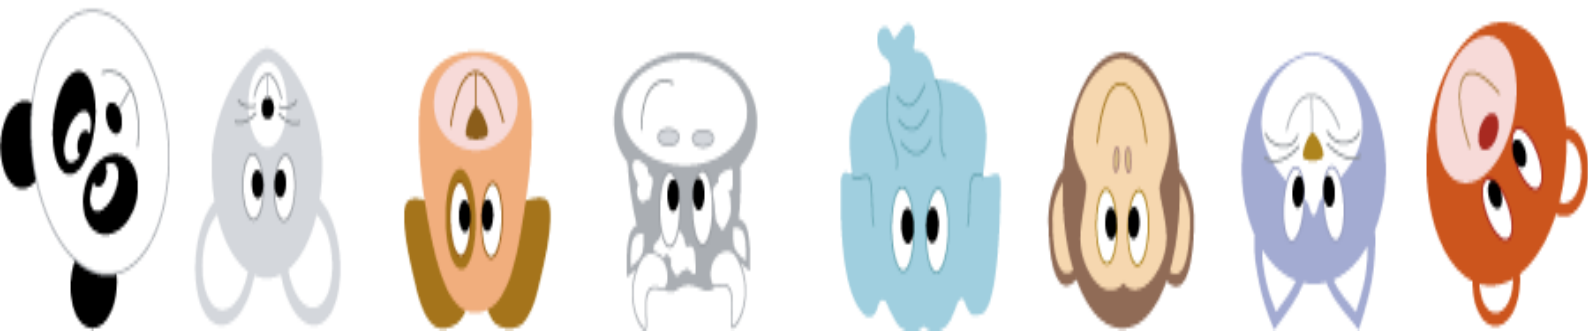

We went to the Tokyo Disneyland. I have taken a ride on the roller coaster and it had so much fun! We went to Ueno Zoo and saw many different amazing animals.

Luckily, we ate a lot of delicious food including sushi, ramen and Japanese barbecue.

I really enjoyed my trip to Japan and would like to there again!

Mega Zip

I went to Singapore and Malaysia with my family during summer holiday.

I played Mega Zip in Sentasa. Mega Zip is at seventy-five metres high, four hundred and fifty metres long and heart pounding speed of 60 kph.

It was a very exciting experience. I could fly over the jungle and beaches of the island. I hope I can visit Singapore again very soon.

My trip in Thailand

During summer holiday, I went to Thailand from 8 to 13 August, 2019. I went to Bangkok and Hua Hin.

I had a Thailand massage. I went to the farm to feed the lambs and rabbits. They're cute. Luckily, I even rode a pretty horse. I also went to the hotel swimming pool to swim and play. It had so much fun.

I love my Thailand trip.
