### Christmas travelling

At Christmas, I went to Chimelong with my family. I visited the zoo. There were so many animals. We were so excited and saw some lions, peacocks, white tigers, spider monkeys, pandas, flamingos, giraffes and camels. We rode on a small train to travel around the animals. We were so happy. We had Christmas dinner. It was yummy! We came back home by High Speed Rail. We felt very tired but it was memorable.
