My Christmas holiday

Because of the COVID-19 pandemic, we had to stay home. My mum told me that there was not any Christmas parties this year, so I was very disappointed.

"Hey, don't be sad. There are still so many ways to safely celebrate Christmas at home!" said my dad assuredly.

The week before Christmas, we decorated the house inside and out. We made a holly wreath out of tinsel and hung it on the front door. My mum and I baked some Christmas cookies and shared them with neighbours. My brother and I slept one night around the Christmas tree. It was very memorable.

At last, I learnt that it is a waste of time being unhappy. I can choose to accept it and try to stay happy during the pandemic.

A decorative border surrounds the page, featuring a repeating pattern of white and gold snowflakes. Diagonal ribbons in red and green with gold stars and the text "Merry Christmas" are also present. In the top right corner, there is a holly leaf with three red berries and two golden bells.

My Christmas holiday

In this year, we had our Christmas holiday under the COVID-19 pandemic, so I stayed at home for celebration.

I decorated my home with my family. We put a Christmas tree in the living room and placed many presents under it. We had delicious Christmas dinner. We ate turkey, Christmas cake, gingerbread, pizza and spaghetti. They were very yummy.

We sang Christmas songs and played Christmas songs with the piano and violin. We exchanged presents after dinner. Then we played Monopoly together at Christmas night.

On December 26, I felt very excited about my Christmas presents. Then, I quickly ran to open my presents. They were some lovely presents. I liked them very much.

Although I couldn't celebrate outside, celebrating at home was happy, too.

My Christmas holiday was fun. When the holiday started, I did my homework as fast as I could. But I still had two more pieces of homework that I didn't know how to do. The next few days, I forgot to do the homework. I had revision and played games.

On Christmas Eve, my dad gave me a Switch game. It is called *Hyrule Warriors, Age of Calamity*. This game is so cool.

At Christmas, I played for so long. This was the best holiday!

On 26 December, 2020, my family and I went to my uncle and aunt's home. When we arrived at their home, I saw a dog there. The dog was very thin with two little eyes and some fluffy hair. Then, I asked, "What is the dog called?" My uncle answered, "It is called Dedu."

Before playing with Dedu, I went to wash my hands. After washing my hands, I played with it. I asked Dedu to sit down and then it sat. Then, I gave it some snacks for encouragement. Next, I gave Dedu two gifts. One was a big ball and another one was a pack of snacks. Dedu liked the ball very much.

Then I decided to have dinner at uncle and aunt's home. So my mum and dad ordered some takeaway pizza. After a short period of time, the deliverer rang the doorbell. My dad opened the door. Suddenly, Dedu ran away. Luckily, I caught Dedu in time and we didn't lost it. I took it back to the cage.

After dinner, uncle and aunt gave me and my sister two gifts. We were very happy.

When I looked at my watch, it was nine o'clock. It was time to say goodbye to Dedu, aunt and uncle. It was a happy day to meet Dedu.

My Christmas holiday

On Christmas Eve, I got to prepare myself in the midnight because we were going to see the sunrise with my cousins. When we climbed up to the top of the mountain, we started waiting. After two hours, the sun finally appeared. And we took photos of the sunrise. Then, we walked down from the mountain top.

After coming down from the mountain, my parents decided to go to Poi Toi O. At the park, we fed some very cute sheep and rabbits. One of the sheep slept on my foot. When it woke up, I gave it some carrots and then it ran away. Then we ate at the restaurant in the park. The chicken wings were amazingly tasty.

In the end, I felt fantastic and wanted to go there again. The park was great, so was the food. I hope I can go there again with my cousins next year.
