One Day at the Park

I like to go to Po Hong Park. It is in Po Lam near my home. I go there with my parents.

I like playing on the swing, see-saw, spring riders, sliders and roundabout. I can also play ball games, hide-and-seek and play Frisbee. I usually get very tired after playing. I also get very hot and sweat a lot. Sometimes my parents buy me cold drinks or ice-cream to help cool off my body. It is very joyful to visit the park! I wish I can go there on every weekend.
