An unforgettable group tour in the summer holiday

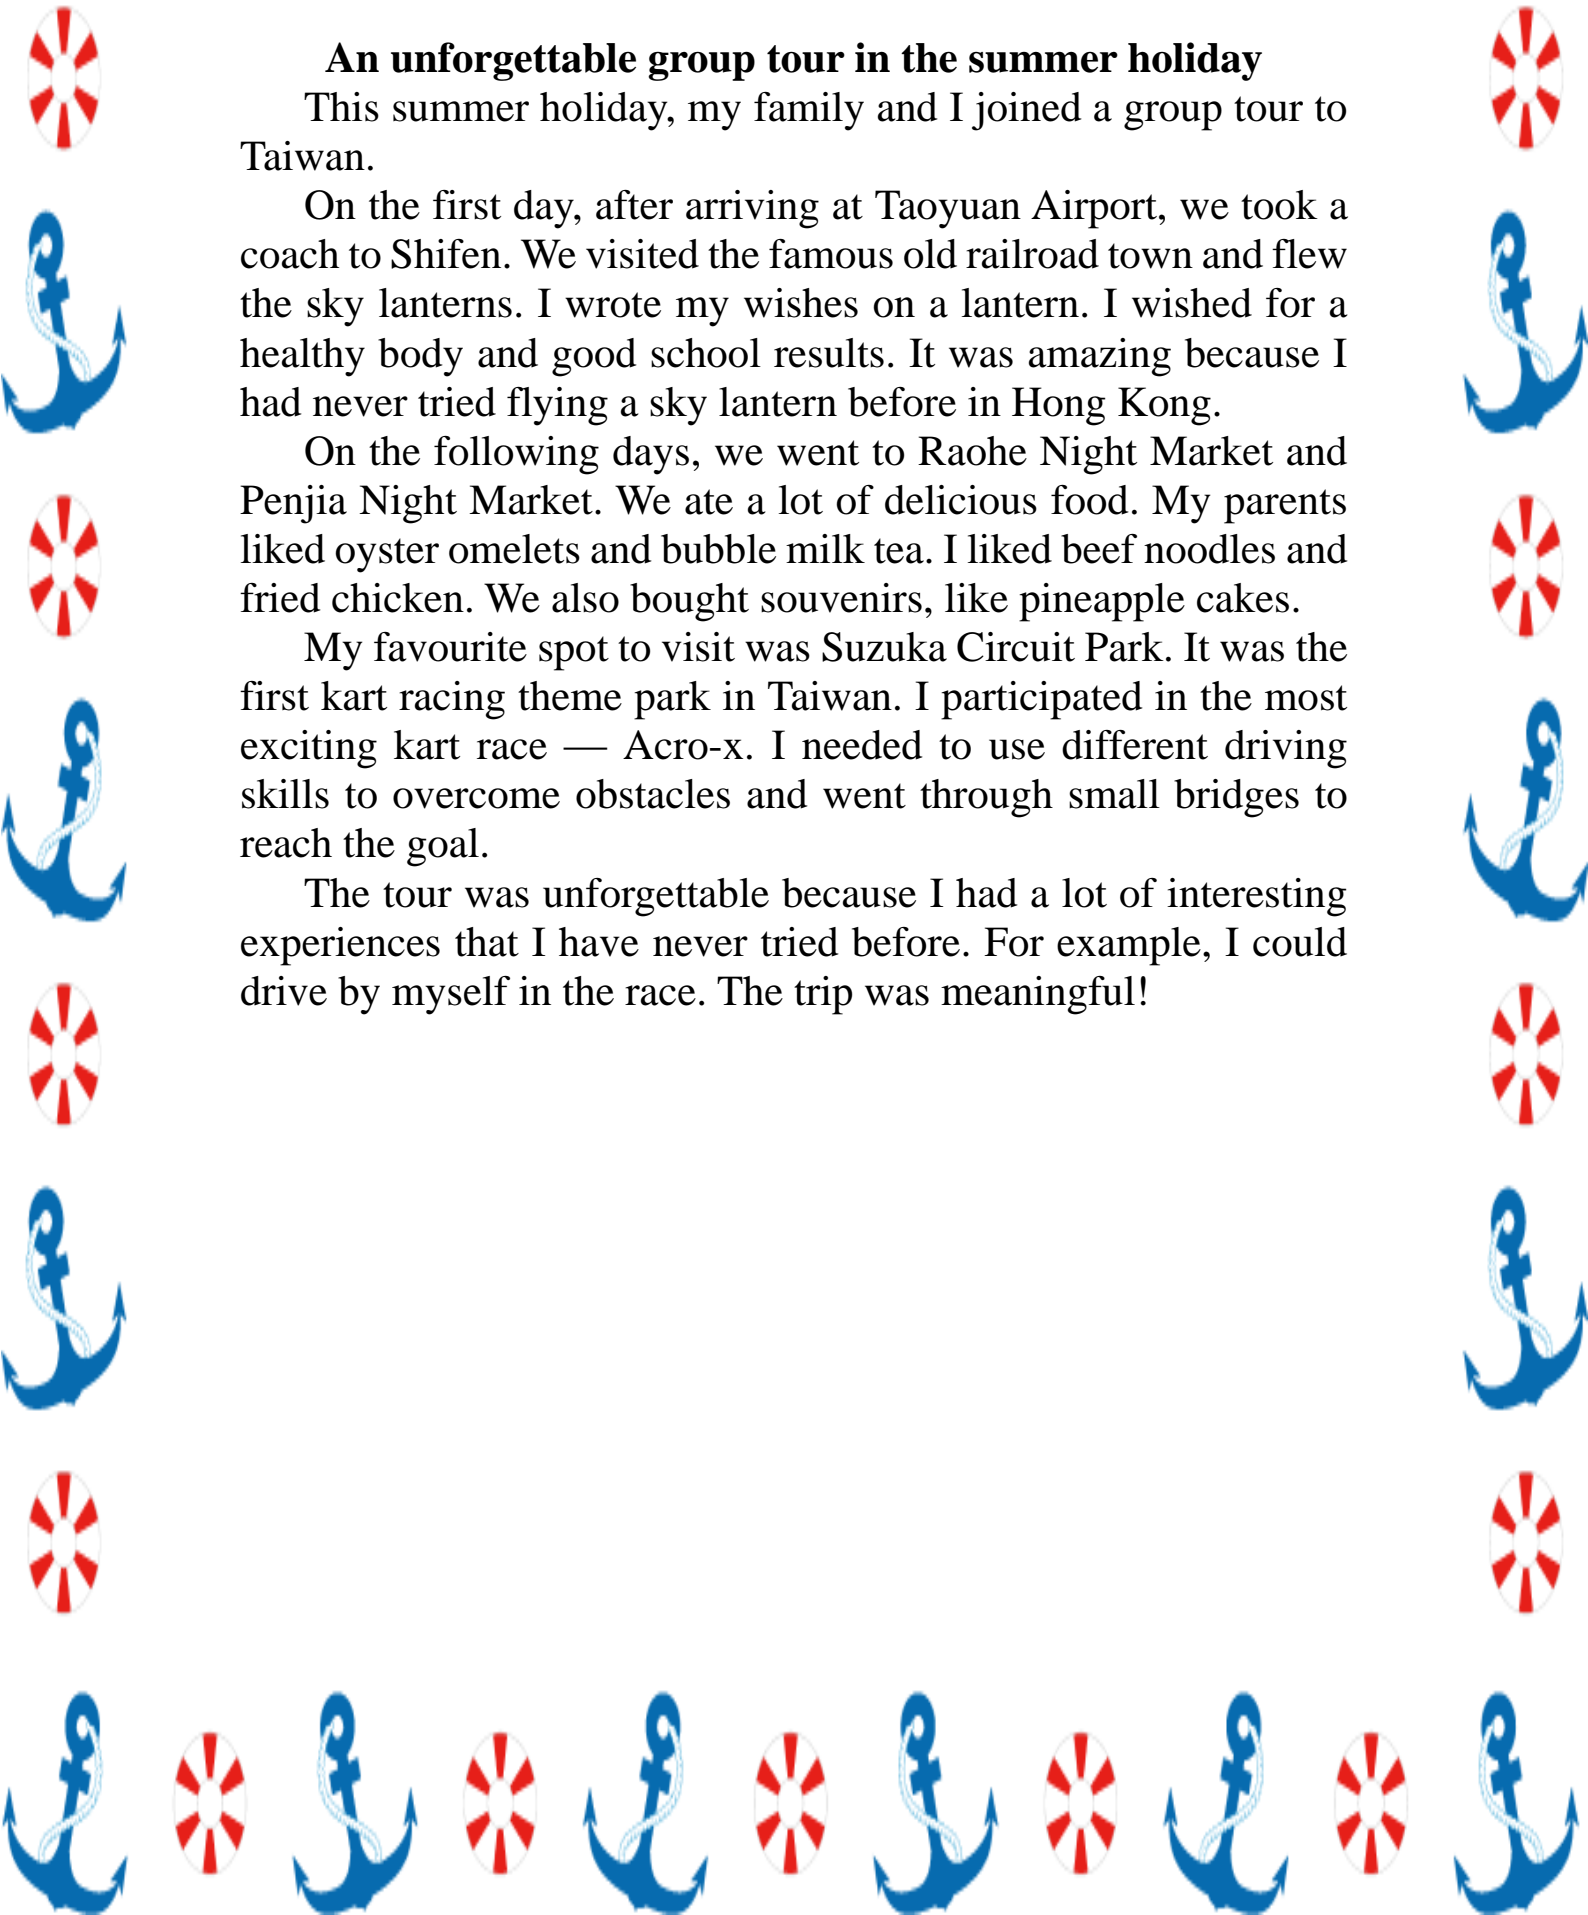

This summer holiday, my family and I joined a group tour to Taiwan.

On the first day, after arriving at Taoyuan Airport, we took a coach to Shifen. We visited the famous old railroad town and flew the sky lanterns. I wrote my wishes on a lantern. I wished for a healthy body and good school results. It was amazing because I had never tried flying a sky lantern before in Hong Kong.

On the following days, we went to Raohe Night Market and Penjia Night Market. We ate a lot of delicious food. My parents liked oyster omelets and bubble milk tea. I liked beef noodles and fried chicken. We also bought souvenirs, like pineapple cakes.

My favourite spot to visit was Suzuka Circuit Park. It was the first kart racing theme park in Taiwan. I participated in the most exciting kart race — Acro-x. I needed to use different driving skills to overcome obstacles and went through small bridges to reach the goal.

The tour was unforgettable because I had a lot of interesting experiences that I have never tried before. For example, I could drive by myself in the race. The trip was meaningful!

My unforgettable event in the summer holiday

I had an unforgettable trip in my summer holiday. Do you know where I went?

I went to Tottori in Japan from the seventeenth of July to the twenty-seventh of July. I went there with my family.

When we got there, we visited a lot of places, such as Matsue Vogel Park, Tottori Hanakairo Flower Park and the Sand Museum.

My favourite places are Tottori Nijisseiki Pear Museum and Matsue Vogel Park. Tottori Nijisseiki Pear Museum is an amazing place, which provides information about pears. Now, I know that some pears can weigh up to one kilogram, and growing a yummy pear is not as easy as I thought!

Matsue Vogel Park is a bird-and-flower park. There are a lot of wonderful bird shows, such as the flight show, owl show and penguin stroll. There are also a lot of birds and flowers for the visitors to see and take photos.

This trip is unforgettable because I visited a lot of special places and ate a lot of delicious ice-cream. I hope I can go there again!

An unforgettable trip

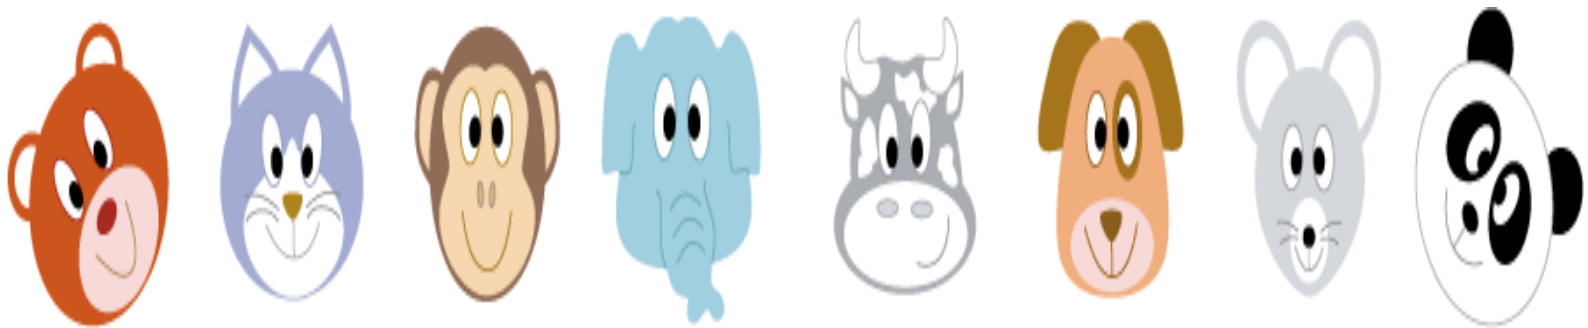

In this summer holiday, my mum and dad took me to Phuket Island in Thailand. There, the most unforgettable part of the trip was we sat on the speed boat to different islands. We played on Phi Phi Island, and we snorkelled in the sea and played on the beach. I also befriended a new friend, Hayden, who came from New Zealand. We went snorkelling and saw a big crab.

When we took the speed boat back to the hotel, the waves were so big, so the boat went up and down. It's exciting!

This trip was unforgettable because the ocean is beautiful and the fishes are colorful too. Also, the new friend was so nice.

I am happy. I hope I can visit Thailand again!

An unforgettable event in the summer holiday

On the first day of the summer holiday, I and my family went to Tokyo. We dropped the luggage off at the hotel at six o'clock and had dinner. After the dinner, we went to see the evening light show. It was fantastic!

My favourite place to visit was the zoo. I could see some animals, such as pandas, monkeys, penguins and elephants. Some of the animals, I could touch their fur. They are so smooth and cute!

After visiting the animals, we took the cable car in the zoo. It sent us high up in the sky to overlook the animals. It was amazing!

This trip was unforgettable because I can learn about different kinds of animals. I felt joyful. If I have a chance, I will go there again!

An unforgettable event in the summer holiday

In this summer holiday, I attended some summer courses, like piano, dancing and skipping classes. However, my favourite class was “Little Traveller”. My friends Hazel, Emma and Elize attended this class too.

“Little Traveller” is a class which helps us learn about Hong Kong. The teacher took us to many places, such as Central and Western District, Northern District and Sham Shui Po.

I liked Northern District the most. We went to a farm in Yuen Long. We had a chance to feed the horses, touch them and ride them. It was the first time for me to ride a horse. When I was riding a brown horse, I felt I was a jockey. I pulled the harness to tell the horse where to go. The horses were so kind and cute!

This is an exciting experience and an unforgettable summer holiday!
