### **New Year Wishes**

I have a few wishes. First, I want to learn how to swim. I think it's challenging. I need many practices. The coach can teach me about it.

Next, I also want to learn how to ride a bicycle. I think it's relaxing. Dad and I can do this activity together.

Finally, I hope I can learn the above activities, so that I'm able to enjoy my summer holiday with swimming and riding the bike.

### **New Year Wishes**

I have a few wishes. First, I want to learn how to make models. I think it's challenging. I need to buy a new robot model, then I read a manual. It teaches me how to make it. If I don't know how to do, I will ask my dad. He can teach me about it.

Next, I also want to learn ice-skating. I think it's exciting and interesting. My cousin and I can do this activity together.

Finally, I hope my wishes come true, so that I can enjoy having these two activities.

### **My Very Special Mum**

My mum is special to me because she loves me so much. She has big eyes and short hair. She is caring.

She loves eating vegetables and fruit. Her favourite drink is mixed berry juice. Her favourite fruit is berry too.

She is good at drawing. She always tells me the stories with lots of family moral to share.

She is my best friend and she always supports me. We have a celebration on Mother's Day. I love my mum for her kindness.

### **My Very Special Mum**

My mum is special because she has given birth to me. She has long hair and small eyes. She is of medium height with pretty looking.

She loves eating Japanese dishes, especially sushi. Her favourite drink is coffee. She needs to drink two cups of coffee a day.

She is good at telling stories. She always tells me different types of stories. For example, comics, fairy tales and novels. She is also good at cooking. We enjoy tasting her dishes. She is so caring and she helps me with my homework every day. I will draw a card to thank her to celebrate Mother's Day.

### Preparation for the Final Exam

Final Exam is coming in July. I feel worried about it. I have to study subjects like Chinese, English, Mathematics, Science and Integrated Humanities.

To get a good result in this Final Exam, I will do more exercises and revise quizzes. I hope I can get over 90 marks for each subject.

Mum is helpful. She helps me with the revision. She sets question papers for me and works on my weaknesses. To thank her, I will work hard and try my best in this final exam.
