Mother's Day

Mother's Day is on 8th May this year. It is on the second Sunday of May. I made a necklace at school and gave it to my mother in the morning. We have dinner in a restaurant.

She was surprised and touched. I will be a good boy and help her do housework to show my love to her.

Father's Day

Father's Day falls on the third Sunday of June.
It was on nineteenth of June this year.

On that day, we had a staycation at Rosewood Hotel in Hong Kong. My dad, my mum and I swam in the infinite pool there.

At night, I gave my dad my handmade pencil holder. He loved it very much. We spent a good time together!

Father's Day

Father's Day was on 19th June, 2022. I made a paper pencil case for my father in the school. I gave him a big surprise and a big hug. I played badminton with my daddy in the park. We had barbecue in the evening. I roasted some sausages and a lot of chicken wings for him. He was touched.

I will be obedient to my parents, and I will study hard to make them happy.
