My Summer Holiday

One day during the summer holiday, my little brother and I attended a badminton training class at the Hong Kong Velodrome. The training lasted for two hours. When the class finished, we left the Velodrome.

Outside the Velodrome. There is a slope. My little brother and I raced down the slope. Unfortunately, my little brother tripped over. He fell and hit his head on a hard object on the ground. His head bled at once.

My mum saw that and ran to him worriedly. She pressed his head to stop the bleeding. Soon, a security guard found out what happened. He quickly helped us call an ambulance. When the ambulance arrived, one of the ambulance men did simple treatment for my brother. Then, the ambulance took three of us to the hospital.

When we arrived at the hospital, there were a lot of people there. We registered and waited. My brother was too tired, so he fell asleep while we were waiting. When he woke up, it was his turn to see the doctor. The doctor gave him medical treatment and cure his wound. Finally, we left the hospital and went home. We found that we had stayed in the hospital for almost four hours.

I felt very sorry for my little brother. I said sorry to him. I wished I had not raced down the slope with him and I promise I will not do it again.

My Summer Holiday

One day in this summer holiday, I visited the Hong Kong Disneyland with my mother, father and my younger brother. It was a cloudy day, however, we forgot to bring umbrellas and raincoats.

We arrived at Disneyland at around ten o'clock in the morning. First, we played on Slingshot Dog. It was exciting as it moved around quickly. Then, we went to the Joy Bucket to take photos with toy story friends. After that, we played "Dumbo spinning the world". I controlled the Dumbo to move up and down. It was fun.

Suddenly, it started raining. We decided to go to Disney Magic Book to see a musical show. The show was wonderful! It was soon the lunchtime. We went to Rocket Restaurant to have lunch there. After lunch, it was still raining. We thought it was better to stay indoor so we played some games, such as "It's a small world", "The many adventures of Winnie the Pooh", "Mickey's Philhar Magic", "Iron Man Experience" and "Iron Man Tech Showcase".

At last, we shopped at the souvenir shops there. I bought a water bottle, a Winnie the Pooh doll, a dress and a watch. After that, we felt very tired. We went back home in daddy's car.

I felt very happy and excited that day. I enjoyed all the games and different wonderful shows. Also, I am pleased that I bought something I like. I hope I can take my grandmother to the Hong Kong Disneyland in near future. I think she will enjoy the visit, too.

School Halloween Party

The school's Halloween party is on 29th October 2021. We do not wear the school uniform to school that they. We wear Halloween costumes instead.

I dress up like a witch. My dress is purple and glittery. I also put a pointed hat on my head. I like my look because it is cute and pretty. One of my friends dresses up like a zombie. It is creepy. His look is very eye-catching as well.

During the English lesson, we watch a dreadful story first. It is about a girl who drops her head. After that, we play the Halloween Hot Seat game. Some of us sit in the hot seat and guess the words shown behind. This game is exciting. At last, our teachers take photos of us.

We have a recess right after the English lesson, so we can play trick-or-treat with each other. Among all the activities, I enjoy trick-or-treat most because I like exchanging candies with my classmates. I feel very joyful. I hope we can have a more exciting Halloween party next year!

School Halloween Party

The school Halloween party was on 29th October, 2021 this year (Because 31st October is Sunday). On that day, students did not wear school uniform to school, instead, we wore a lot of different costumes.

I dressed up as a superhero that day because I did not have any other costumes at home. However, I was happy about it because I love superhero.

We had Halloween activities in the English lesson. First, we watched a scary story video. Then, we played a word guessing game. Finally, we played trick or treat.

Among them, I enjoyed playing trick or treat most because the sweets are so yummy! I felt happy and excited. The activities were interesting. I hope next year's Halloween party will be even funnier and we can take the masks away.

Overall, I like this Halloween party. What about you?

A Wonderful School Picnic

The school picnic is held on 29th November. The weather is cool and sunny. My class goes to Wu Kwai Youth village at Ma On Shan for the picnic.

We gather at the school at eight o'clock. Then we go to the picnic site by coach and arrived there at about nine o'clock. The site is large with a lot of facilities. It is a good place for us to have picnic there.

I bring juice and snacks for the picnic. I share some with my classmates. We enjoy them a lot. After eating snacks, I play badminton and football with my classmates. I also try rock climbing. I have so much fun.

Finally, we get back to school at about one o'clock. All of us have a good day. I hope to join the school picnic again next year.

A hot School Picnic

When I was in Primary One and Primary Two, the school picnics are cancelled. So this is my first time to join the school picnic.

The school picnic this year is held on 29th of December, 2021. The weather is hot and sunny. My class goes to the Wu Kwai Sha Youth Village at Ma On Shan which is quite far away from our school.

We go to the picnic site by a blue huge coach. We arrive there at about nine o'clock in the morning. I bring some toys like Pokémon cards and magic cube with me. When I walk around the picnic site, I can see a lot of yellow and blue houses. The teachers tell us that they are for campers who stay overnight. My favourite activities are climbing the rope net and playing football. I have a lot of fun in playing them with my friends.

We get back to school at about one o'clock in the afternoon. I feel very happy, excited and hot. I want to join the school picnic again next year because I want to play more games that I haven't tried before. I also want to bring more funny toys that I haven't brought this time. I look forward to joining the Primary Four school picnic with my friends.
