### **Mother's Day**

Last Sunday was Mother's Day. I made a necklace for my mom. She wore it immediately and she was touched. We had a big dinner. In the future, I will listen to my mom and massage her more. I love my mom.

When we're back home, I draw a picture to mom and give her a big hug. Mum feels surprised and touched. I promise that I will help her do housework and study hard.

### **Mother's Day**

The second Sunday in May is Mother's Day. On that day, I gave my mother a big hug and thanked her for taking care of me every day. Then I said "I Love You" to her. She felt very touched. In the evening, I took her to a restaurant for dinner to celebrate this special Mother's Day.

In the future, I will be obedient and study hard to get good results to show my love to her.
