My Zoom lesson

I have an English Zoom lesson today because the Covid-19 is still serious and we cannot go to school.

I say good morning to Mr Wu. I am happy to see all my classmates on the screen. Mr Wu teaches us vocabulary about food. I feel very hungry when I see the nice pictures of food. We also do exercise together.

I like having Zoom lessons because it is fun and I can have lessons at home.

My Zoom lesson

I have a Chinese Zoom lesson. We have Zoom lessons because of the Covid-19.

I can see my classmates and my teacher in the Zoom lesson. I can hear my teacher teach us the textbook. I am very focused on the lesson. I do not like having Zoom lessons because I feel very lonely. I also feel very annoying as some classmates are too noisy. I want to go back to school.
