New Year Wishes

I have a few wishes. First, I want to learn how to ride a bicycle. I think it is relaxing because cycling can keep us healthy and balanced. Dad can teach me about it.

Next, I also want to learn how to play the piano. I think it is challenging because I have to take Grade One Piano Exam in March. Mum and I can do this activity together at home.

Finally, I hope COVID-19 will end soon so that Hong Kong will become normal. We can travel to other countries, and I hope we all can have normal school life again soon.
