My Summer Holiday

One special day, my family and I went to the beach to play and eat.

We arrived at the beach at one o'clock in the afternoon. First, we had lunch at the beach. At two o'clock, it was sunny and hot, so my little sister and I went swimming in the sea.

Suddenly, I saw a bunch of clouds in the sky. I thought it would rain, so I told Mum. 'Mum! It looks like it will rain soon.' But Mum said 'It is just cloudy. No worries.' Then it rained heavily.

We hid in a place. Luckily, we were dry but my sister was all wet, so we dried her. At seven o'clock, Mum said, 'It is time to have dinner.' So, we went for dinner.

I was tired but happy because I had an enjoyable day!

My Summer Holiday

One day I take my small and lovely tortoise out from its cage. First I put it on the floor to let it walk around.

Then, the tortoise feels hungry, so it opens its mouth and looks for vegetables.

Later, the tortoise cannot find any vegetables, so it falls asleep.

When it wakes up, I feed it some vegetables. At last, when I put it back into the cage, it poos on my hand. And I say, 'What a dirty tortoise!'

My Summer Holiday

One day I went camping with my friends. In the morning I packed my snacks, drinks, my clothing items, books and interesting games into my baggy bag. Uncle Ray, a friend of my dad, drove his car to my home. After having lunch in the shopping mall, we went to Sai Kung Country Park.

When we arrived at the country park, there was no one except grass, some cows and hundreds of trees. We found a spacious grassland under the trees and unloaded our bags.

First, Dad set up the tent and sheltering tarp. Then, I unfolded the airbed and blanket in the tent.

After that, Uncle Ray and Dad went cooking. I played card games with Uncle Ray's son, Rayson. We also sang songs like 'Let it go' and "Lalamove".

After dinner, we looked at the sky for stars. There were a lot of stars and we saw a big moon near midnight.

Next morning, we woke up early at eight o'clock. We tidied up our stuff after having breakfast. Soon after we put on our bags, a big block beautiful cloud came and showered. We ran to the kiosk and stayed there until we found a taxi.

I like camping with dad and friends very much. I look forward to camping again soon.

My Summer Holiday

One day, I go to Discovery Bay Hong Kong with my family for staycation. First, we go to Central by bus. Then, we take the ferry to Discovery Bay.

After that, we check-in at two o'clock and get a suite room. There are five beds and two washrooms. I like the big bathtubs.

We have buffet at a quarter to six. My favourite food is strawberry ice-cream.

At night, I go to bed and feel so sad. It is because it is raining whole day. I wish tomorrow is a sunny day.

I wake up and see the sun in the sky. I am excited to go the beach. We swim and catch the fish. However, my fat mother cannot catch the fish for one hour! My grandmother collects beautiful shells. My father and little brother play football. We are happy and don't want to go back home.
