Halloween

Halloween is coming! I am excited. It is my favourite festival because we can dress-up, scare people and play trick-or-treating.

Today, I have a Halloween party at school. I dressed up as a black ninja. I wore a ninja mask to scare people away. But when I said "trick or treat, smell your feet, give me something good to eat", they still gave me candies. We also play a guessing game. It is fun!

What a fun day! I hope I can go to the playground and play more games next year!

My favourite cartoon - Pripara

My favourite cartoon is Pripara. I like it because it always makes me sobbing! I like the scene when the girl dances. She is pretty!

This cartoon is about a girl named Laala. She finds a pri-ticket on her head and that leads her to a world called Pripara. She meets two friends there. They are Miri and Sopic. They become a group and meet new friends. Also, they need to wake a girl named Falala.

I have a lot of pri-ticket cards. I can play with them. There are a lot of Pripara products such as bags, cards and card holders. I bought some of them.

Halloween

Today is 29th October. I am happy because today is my school Halloween party. We do not wear school uniform today and we can wear Halloween costumes.

I dress up as Ninja because I think Ninja is very cool. We watch a Halloween movie and play Halloween guessing games. We also play word games.

Halloween is my favourite special day because I can get a lot of candies. I hope my school Halloween party can come faster and I will dress up as a zombie next year.

My favourite cartoon

My favourite cartoon is Pocket Monster. I like this cartoon because it is an adventure cartoon. The main characters Ash and Pikachu are brave. They have to battle with other trainers and their Pocket Monsters to reach their goal. It is very exciting. I also like the friendship between Ash and Pikachu. They always support each other.

Ash is a teenage boy who always wears a red cap and Pikachu is a cute yellow mouse-like Pocket Monster with red cheeks and a flash-like tail.

I buy things with this cartoon on them, such as towel, stationery and cup. I like this cartoon very much. It is the most enjoyable time to watch it on TV every day after doing my homework.
