My Summer Holiday

During the summer holiday, dad, mom and I went to Ocean Park.

Early in the morning, we went to a restaurant to have dim sum. After that, we took the bus to Ocean Park. When we arrived at Ocean Park, it started raining so we needed to stay indoors.

We had a lot of fun in Ocean Park. We went to the Grand Aquarium. There were a lot of fishes. I also saw sharks, seahorses and octopi.

It became sunny in the afternoon, so we could play outdoors. We played Bumper Blast, merry-go-round and booth games. I got three prizes from the booth games, one of which was the jumbo prize. It was a big giraffe soft toy. I love it so much.

I had a wonderful day in Ocean Park. I want to go there again.

My Summer Holiday

Today, my family and I went to the beach at nine o'clock. It was a very hot and sunny day. First, we built a sandcastle. We put a beautiful shell on its top. Then, we had a picnic at the beach. We ate a watermelon, chips, sausages, bread and my favourite popsicle, a fruity pop. After that, we went into the sea to play. We brought a floating bed and had a water fight with mum. It was fun and exciting!

Later, on the way home, we went to the pet store to pick up some feed for my hamster, Bella. There I saw a cute cream banded Syrian hamster named Brenda. The moment I saw Brenda, I knew I had to give her a home!

Thankfully, my mum agreed to bring her home but only on a couple of conditions. I had to buy Brenda treats with my allowance and she cannot meet Bella under any circumstances because hamsters are solitary animals and need to live alone.

In the end, Brenda has a lovely new home. What an unforgettable day!

My Summer Holiday

In this summer holiday, my family and I went to a hotel to celebrate my birthday. After we had checked in, we went straight to our rooms.

When we walked into the room, I saw a small cake. It had a letter beside it, which said, "Happy Birthday!" I was so glad that it's my birthday. The weather and the view were very nice! Everything was fantastic in this hotel. After a while, we were a bit tired, so we rested for a while.

After taking the break, we had a lunch buffet. We went to the restaurant and lined up to get the food. There was a lot of seafood and they were all very fresh and delicious. We ate lobsters and sea urchins. We were very full. After we had finished the food, we wanted to go shopping. We bought some new clothes.

At night, we went to a barbecue. We ate chicken wings, pork chop and more. After eating all the food, we had the ice-cream birthday cake. When they brought out the birthday cake, I thought I was in a dream. Fortunately, I was not. I felt so happy. After eating the cake, we went back to our hotel room and got ready for bed.

I have learned that parents are very busy and they need to work hard to make money for their children. Therefore, we need to be thankful for what we have.

My Summer Holiday

This summer was so great because I could get together with my best friend. His name is Rex. I had not seen him for a long time.

One day, I went to Rex's home. When I arrived at his home, a cute dog welcomed me. I felt happy as it was my first time seeing it. Then, I played with Rex and the dog. After that, Rex showed me his photos, which were interesting. Later, we played the piano.

After lunch, we went to the park to play table tennis. However, there were two older boys playing for a long time. They did not let us play. We felt angry. We asked them politely, "Can you let us play table tennis, please?" They said loudly, "No!" At that moment, a security guard came and told them, "You should let others play now." Then, I could start playing table tennis with my friend.

In the end, I went home. I felt happy because I could play with my best friend. It was an unforgettable day. I am looking forward to seeing him again!

My Summer Holiday

One day during my summer holiday, I went to Ocean Park. It was so sunny and dry. It was not windy. Therefore, I went there with my mum, dad and my naughty sister, Olivia. I felt very happy even though it was very hot.

I rode the roller coasters three times and had a nice lunch. After that, I went to watch the penguins and sharks in the aquariums. They smelt really awful! I don't remember what exactly they smelt like, but it was a bit disgusting!

I saw a lot of devilfish and stingrays too. They were big, shiny and grey. They looked like kites floating in the water. They looked so beautiful! Speaking of beautiful, all of the jellyfish were so pretty and colourful! They were bright pink, deep purple, dark red, sky blue and white snow.

There were a lot of people in the amusement park. It was easy to get lost in the crowd, so I held my dad's hand all day. We both had very sweaty hands at the end of the day!
