Naughty things I have done:

In the afternoon, I didn't do my homework because I was watching TV, Mummy was cross. I do not want her to be sad, so I promise her to finish my homework before she comes back from work.

Good things I have done:

One Sunday last month, mummy and I were in the MTR. I saw an old lady, she was standing in the MTR. I gave my seat to her. She was happy. When she got off the train, she gave the seat back to me. Mummy said I am a good boy.

Naughty things I have done:

I always take out the books from the shelves but forget to put them back in the same place. I am a picky eating child. I like eating crispy food and some unhealthy food, but I am trying to change my diet and eat healthily.

Good things I have done:

I am responsible for collecting the English homework for our English teacher Miss Ho. She appreciated it very much. When the recess bell rings, a lot of classmates shout very loudly. I do not do that because the class has not finished yet. It is impolite to shout when teacher is still in the classroom.

### **People I want to thank**

I want to thank my parents most because they love me very much.

Mummy always cooks my favourite food for me and daddy. She is nice and kind. I like the food, yummy! Daddy works in a bank. He goes to work on weekdays. I thank him because he always works hard in the bank. But due to Covid-19, he is working at home now. He is brave and clever.

I also want to thank my P.1 and P.2 teachers because they teach me a lot of things. I am grateful for their love. I miss them.

I hope the Covid-19 will go away and I can go to school.

### **People I want to thank**

I want to thank my parents because they always take care of me. Mother is loving and helpful. She always cooks delicious food such as steak and fried eggs. Mom helps me when I have trouble in learning music.

Father is brave and great. He is not afraid of cockroaches. I go to ride my scooter and daddy rides a bike on sunny days. We are happy. I love them very much.

I also want to thank my grandparents because they take care of me when my parents go to work. Grandfather is a good cook. He is good at cooking Chinese dishes such as soy sauce chicken and sweet and sour spareribs. Under Covid-19, I miss my grandparents. I hope to meet them soon!
