Father's Day is on the third Sunday of June. I played video games with my dad that morning. Then mum and I made him a delicious pizza.

After lunch, I went shopping with my parents. I bought my dad a new T-shirt and pants. He was very happy.

I massaged him that night. Also, I gave him a big hug and promised him that I would study hard and get high marks. After listening to what I said, he kissed me and hugged me.
