Write about a movie you like

The movie I like is called *Puss in Boots: The Last Wish*. I watched the movie at the Christmas holiday. It is a new movie and it is an animated comedy. There are three main characters. They are Puss in Boots, Kitty Soft Paws and Perrito.

Puss in Boots has burnt eight of his nine lives. He wants to restore his nine lives by finding a magical star from the dark dark forest. Puss picks up his sword at the end of the movie and battle with the Big Bad Wolf. Puss wins and the wolf leaves.

I like this movie because it is very exciting. I feel happy when I watched the movie in the Star cinema. I think it is a meaningful movie.

A Movie I Like

'Man vs Bee' is my favorite movie. I watched it on Netflix with my family at home. It is a comedy just released on 24th June 2022. Mr. Bean (Rowan Atkinson) is the main actor in the movie. He acts as a house sitter, named Trevor, who works for a pair of rich couple. He finds himself in a battle with a bumblebee as he causes a huge damage of the luxury house.

I like the ending of the movie. The rich couple actually are thieves! Mr. Bean helps the police to catch them to jail. Although Mr. Bean is very silly, he has a kind heart to help others. So, I like him!

I like the movie also because it is very funny. The actions and facial expressions of Mr. Bean makes me laugh. I feel very relaxed when I watch this movie. But I got muscle pain in my tummy after I watch it, as I laugh too much and too hard.

'Man vs Bee' is really a good choice to watch with your family. Let's watch it during this weekend. I am sure you will have a relaxing moment with your family.

My Favourite Movie

My favourite movie is Encanto. I watched the movie in 2022 during the summer holiday in my cousin's house. It's a new movie of Disneyland in 2021. The type of the movie is animated musical fantasy comedy. The main actor is Mirabell.

This story happens in a small town in the mountains of Columbia. There is a magical house of magic, which is also the place where the Marig family lives. Everyone in this family is endowed with a magical talent, but Mirabell is like a forgotten child who has never had her own magical power as she grows older.

One day, Mirabell accidentally discovers that the magic is dissipating, putting the whole family member without magic, she decides to save her homeland.

In the end, she saves the homeland and brings back all the family member's magical talent.

I like this movie because it has lots of good songs and many beautiful dresses. After watching this movie, I want to be Mirabell because she is brave and "something" she has always had is stronger than magic.

2D Cheung Hang Yin

My Favourite Movie

My favourite movie is the Minions. I watch the movie at Lohas Park. It is a new movie.

Minions is a cartoon. There are a lot of characters, like the main character Gru, minion Otto, Bob and Kevin. The movie is about young Gru tried to join the Vicious 6, a group of supervillains. Gru had an adventure with minions about stealing the Zodiac Stone. At the end, Gru won and became one of the supervillains. I like watching Minions because the characters are cute and funny.

This movie is meaningful as it teaches us the significance of having a team and the importance of teamwork.
