Chinese New Year

This year, I have spent an unforgettable Chinese New Year holiday with my relatives and friends.

On the New Year's Eve, my family had a reunion dinner at my grandpa's house. My grandma made ourselves Poon Choi and cooked different festive dishes and snacks. We all enjoyed them very much.

On the Lunar New Year's Day, we visited our grandparents' home to show our respect to them. We blessed them with Chinese greetings and they gave me red packets. Grandma cooked us some turnip cakes and vegetarian dishes. They were very delicious! It was really meaningful!

Also, I went cycling with my friends. We also tried cycling across the new bridge in Tseung Kwan O. We could see the beautiful view of the whole Tseung Kwan O Bay!

We are busy on working, studying and living throughout the year, but this festival is a good time and opportunity to hang out with family and friends. We should always treasure these special moments before they are gone.

Chinese New Year

In this Chinese New Year holiday, I have different experience.

On the first day of the Chinese New Year, I went to my grandmother's home to have lunch. My grandmother gave one of my aunt's dogs red packets. I asked my grandmother why my goldfish didn't get any red packets. So, my grandmother gave me one more red packet.

After we finished lunch, I went shopping with my mum and dad. After shopping, we took the 80K bus to visit my great grandmother. It was my first time to take that bus. My great grandmother is very old. She is a hundred and one!

On the second day of the Chinese New Year, I went barbecuing with my grandparents. I barbecued sausages with my grandfather. I also played mahjong with my grandparents and one of my aunts. I won and it was my first time to play mahjong with my grandparents.

On the third day of the Chinese New Year, I went hiking with my friends. We started at Lam Tin and finished at Po Lam. First, we took the 16M bus to Lam Tin Park. We took a bus with GAWR GURA advertisement on it. We went hiking for 85 minutes. We saw a lot of beautiful scenery and the Tseung Kwan O Cross Bay Link.

This Chinese New Year is my best Chinese New Year ever. I had many wonderful memories.

The special experience in Chinese New Year holiday

On Lunar New Year's Day, I went to Hong Kong Stadium with my mum and dad to watch the Senior Shield Final. The two teams are Kitcee and Eastern. It was exceedingly wonderful!

In the morning, I went to my friend's house to play first. We played a lot of games, such as Monopoly, Fifa and Rummikub. At about half past two, we took the bus to Hong Kong Stadium. We were both go banana!

After a while, we arrived at Hong Kong Stadium. First, we bought the tickets. After that, we went to find our parents. Then, we found a lot of seats for us. Soon, the Senior Shield Final started.

Every moment of the game was very intense. Fans from two teams were cheering for their teams loudly. After 120 minutes, the score was 1:1. Therefore, they had to use penalty to decide the winner. Finally, Kitchee won.

Although the team I supported lost, I still admired their hard work. All in all, I wish my supported team can win next time.

Chinese New Year

The most unforgettable thing that I did during the Chinese New Year holiday

During the Chinese New Year, my family and I went to Ngong Ping 360. It was very memorable.

On 26th January, I went to Tung Chung. I rode the cable car to view all the scenery of Nei Lak Mountain. The scene was a feast for my eyes.

When we arrived at Ngong Ping Village, first, we went to Cable Car Discovery Hall. There are histories about the cable car and exhibits about the cable of the cable car. They are very big!

Second, we went to the chocolate workshop to learn more about chocolate. We decorated a piece of chocolate with edible glitter. We have even seen some realistic things that are made of chocolate by a chocolate master, such as Eiffel Tower, dim sums, panda and mahjongs. They opened my eyes.

Third, we went to Heart Sutra Jianlin. There are many Woodcut Buddhist scriptures. They are very interesting.

I had an indelible memory of the visit to Ngong Ping 360. I hope that I can go there again.

My Chinese New Year Holiday

During this Chinese New Year, I had a wonderful holiday with my family.

Before Chinese New Year, I cleaned our house and prepared candy boxes and red packets with my mom. We also went to the flower market. I wrote a few spring couplets for my grandparents too!

At Chinese New Year, we visited our relatives and I received red packets from them. I also had a reunion dinner with all my relatives including my cousin, Elena, who came back from London. After three years of epidemic prevention measures, I could finally meet her.

This Chinese New Year is a joyous and important holiday for everyone because I can meet many relatives whom I haven't seen for a long time.
