Mid-Autumn Festival

Today is mid autumn festival, it is on 15th August in the Lunar Calendar. We play with lanterns, eat mooncakes, and guess lantern riddles. We go to shopping after lunch, we buy some star, fruits, and mangoes. Lastly, we go to look at the full moon at night. We feel joyful!

My School Picnic

The school picnic this year was on 7th November. We went to Wu Kai Sha Youth Village by coach. The Youth Village is in Ma On Shan. I went there with my classmates and teachers.

It is rainy that days, so we had recess indoors. The teachers took some photos for us at recess. We also ate snacks. After recess, we played two games which are called mölky and floor curling.

At last, we went back to school happily. I like the school panic since we don't have lessons on that day.
