My Favourite Toy

My favourite toy is MikadoSpiel. There are forty-two sticks. Every stick has different colours. Different colours have different points. The highest point is twenty. The one who gets the highest point is the winner.

Mother's Day

Mother's Day was on 14th May, 2023. We went to the theme park. In the park, we saw some beautiful flowers and butterflies. I drew a picture for mum and gave her a kiss. We had dinner at a restaurant. We ate pizza, cakes and ice-cream. Mum felt so glad on that day.

I will study hard and get good marks in future. I will be a good child.

My Grandmother's Birthday

Today is my grandmother's birthday. We give her a surprise. I use some colour papers to make a big heart for her. We buy her a strawberry birthday cake too. This is my grandmother's favourite fruit. Then we decorate our dining room.

When grandmother comes in, we sing a birthday song for her. I give her a big kiss and a big hug. She is very happy.

My Favourite Toy

My favourite toy is a teddy bear. It is brown. It has small eyes and a big mouth. It has short arms and short legs. It has an orange hat. It is fat but cute. My big brother gave it to me. I like the teddy bear very much.

Sometimes, I take care of the teddy bear like my mother takes care of me. I teach him to read. When I am unhappy, he quietly accompanies me and listens to me. We play and sleep together. It's my best friend.

Mother's Day

Last Sunday was Mother's Day. It was on 14th May, 2023. Our family went to my aunt's house. My grandparents also went there. My mum, grandma and aunt celebrate Mother's Day together.

My cousin bought a cake for my aunt, and said "Happy Mother's Day! Mum, may you be forever young." Mum gave a bouquet of flowers to grandma, and said, "Happy Mother's Day! Wish you have good health!" I gave a table mat to my mother. Then I gave her a big hug. I said, "Happy Mother's Day! I will always love you!". Mum said happily, " I love you too!".

After that, our family had chicken, eggs, fish and pasta for dinner. After dinner, I played games with my cousin.

I will study hard and get good grades to make my mother proud of me. This is the way I want to repay my mother's love for me.
