2022 Halloween Party

Hello, everyone! I had my school Halloween party on 31st October, 2022. I saw some spider web stickers on the doors. A big lantern and a fluffy spider were hung over the stairs. I dressed up as a horrible scientist. My forehead and my hand had bleeding wound makeup. My friend, Abraham, dressed up as Mario. Ryker dressed up as a ninja.

At nine o'clock in the morning, all the Primary 3 students lined up and went to the school hall to play games. I played matching game, tongue-twister game, Mystery Box and puzzle game. I like matching game most because it is very fun.

After playing games, we went back to the classroom. Some classmates and I played trick-or-treat and exchanged sweets. We watched some Halloween videos together too.

I enjoy the Halloween party very much. I feel very happy. I want to dress up as a pirate next year. Do you think it is a good idea?
