Sports Day

Sports Day is on 19th January this year. It is held at Tseung Kwan O Sports Ground. I joined the 60m race and throw bean bags competition. I felt so excited. I also cheered for my House.

I had a great time on Sports Day because we can do sports together happily. I will train hard from now on and I hope I can win next year.

My Long Easter Holiday

Easter holiday is from 1st April to 10th April. We travel to Korea to have fun. We stayed in Hotel Sky Park. We played Snap, go shopping and eat barbecue food. We went to an arcade to play and I got two stuff toys. I named them "Coffee" and "Cherry blossom". They are cute. I did three times to get them.

We also picked strawberries at the strawberry farm. The small strawberries were sweet, but the big ones did not have any taste. Then we went to Legoland Hotel and then went to the animal café to feed birds, marmots, rabbits and alpacas. They are cute. I felt wonderful!

I enjoy my Easter holiday because the trip is wonderful.

Chinese New Year

My favourite festival is Chinese New Year. I buy some festive food in the supermarket with my grandmother and I tidy my room before Chinese New Year.

I have a great time during Chinese New Year holiday. I visit my friend's home with my family. I eat melon seeds and turnip pudding in my friend's home. I get 50 red packets and I give all of them to my mother for saving in my bank account.

My Chinese New Year wish is to get 100 marks in English exam and to be an actor in the future.

My Long Easter Holiday

I have the Easter holiday from 3rd April to 15th April.
I go to Zhongshan to celebrate Easter this year.

Eat some Zhongshan special traditional food, such as banana flower congee, red bean rice cake and lots of sticks of barbecue beef. All of them are so yummy!

I visit the Zhongshan Children Park "Chubang" Chinese Choyssauce Cultural Museum and Purple Ridge Zoo. I try some choyssauce ice-cream. I feel strange and I don't like it. I see so many animals, such as giraffes, ostriches, zebras, rabbits, black bears, swans, parrots, camels, tigers, crocodiles, snakes, chameleons, turtles, goats, alpaca and monkeys.

I feel happy, excited and contented in this Easter holiday. I eat so much delicious food. I see so many lovely animals. I visit so many different places. It's wonderful!
