My Sports Day

Our sports day is on 19th January this year. It is held in the TKO Sports Ground. I join the 60 m running race. It is fun. Before Sports Day, I practice running every week to prepare for the race. I feel tired, but excited!

Besides, on Sports Day, I also watch the race and cheer for my classmates.

I have a great time on Sports Day because it is exciting and I like sports. If it is possible, I'd like to add basketball match to the Sport Day!
