### **My picnic**

On 15<sup>th</sup> November, 2023, it was our school picnic day. It was a memorable day.

Our destination was Pak Tam Chung. When we reached there, my classmates were as happy as monkey. They ran up and down, high and low. My group mates and I went to the place where we could rent bikes. We rode the bikes all around the place two times!

After that, we played football. We were against the other group, which was the school football team, and the group that last had to give a bag of chips to the group that won. Luckily, we won and got a bag of chips! When we opened the bag of chips, the chips were all crushed. My group all said that they were just like cunning foxes.

When we were just about to leave, I found that my octopus card was missing! I immediately went back to every single place that I stayed, but I still couldn't find it. I was very sad and I cried. I just hoped that my octopus card would not be used to do bad things.

### **My picnic**

Last Wednesday, I went to the PLK Jockey Club Pak Tam Chung Holiday Camp in Sai Kung with my teachers and classmates. The weather was sunny. We arrived there by coach.

The campsite was very big and we walked around there. We breathed fresh air and saw some beautiful butterflies. After that, we went to play football with our team members.

We played football on many matches. Sometimes we lost, sometimes we tied and sometimes we won. Some matches we played with teachers. We played football for 4.5 hours, all of us were very tired but very happy.

At the end, I slept in the coach when we returned to school. We arrived at our school when I woke up. What a wonderful trip!

We learnt that we should take some rest after we do exercises or sports activity like football. Otherwise we may feel very tired.

### **My picnic**

On 15<sup>th</sup> November, 2023, we went to PLK Jockey Club Pak Tam Chung Holiday Camp in Sai Kung. We were very excited when my group mates and I saw the picnic location.

The first thing we did was playing football. We played 5 vs 5 on the football pitch. I scored twice and Daniel scored once. Our team won, we were happy. Later, two teachers come and played with us. Mr. Dow was super good at football. He dribbled pass everyone and kicked the ball into the goal. I couldn't save it. It was like a rocket. We played for three-hour.

The second thing we did was eating had in the school picnic. I ate all not even a single rice is in the box.

The third thing we did was playing the claw machine. Daniel was very good at it. He got it at first try. I was speech-less when I saw he did that because I tried ten times but still couldn't get it.

Then we played football again. But this time, is my group vs two other groups. They got 14 players and we got 7. But the shocking part was that we won 3 - 0. We were all joyful.

At last, Daniel and I ate instant noodles for tea-time. It was large and tasty. But it was cheap. A few minutes later, we all left and we were all sad. I was starting at the football pitch and didn't want to leave. I hope we will get another school picnic day.

### **My picnic**

15<sup>th</sup> November, 2023 was our school picnic, primary one, three and five went to Po Leung Kuk Pak Tam Chung Holiday Camp to picnic. We were so excited.

At first, my groupmates and I went to the park and played hide and seek. After that, we rented bicycles at the cycling center. The wind brushed against our faces as we pedaled joyfully. Then we took a rest and ate some snacks. We all had fun time.

While exploring, we discovered a rope net near the basketball court. It was cool! We couldn't resist the challenge and took turns climbing it. Some parts were difficult, but we encouraged each other and made it to the top with a great sense of accomplishment.

As the day came to an end, we returned the bicycles and said goodbye to the campsite. The picnic was a fantastic experience, filled with cycling, climbing ropes, and lots of fun with friends. We will always cherish the memories, we made on this special day.

### **My Picnic**

My class went to school picnic on 15<sup>th</sup> November, 2023. We went to PLK Jockey Club Pak Tam Chung Holiday Camp in Sai Kung. It was windy and chilly in the early morning, but it turned sunny in the afternoon. My teammates were Jovie, Effie, Shiloh etc. I was very excited because I could play with my classmates.

When we arrived at Pak Tam Chung, firstly we took a group photo. Then, we went to a playground. There was a very big swing that could sit three people at one time! After that, we went to a basketball court. I thought there were basketballs to borrow, but there were not. So, we laid a picnic mat and started eating snacks. Next, we went to the children's rope course. When we were climbing the ropes, I saw the coach sleep!

Afterwards, we had lunch together. I had rice balls for lunch. I was very hungry so I ate very fast. After eating lunch, we went cycling. But one of my classmates fell off the bike, so I rode my bike carefully.

Finally, at about 2p.m., we had to leave. I wished we could stay there longer because it was a very enjoyable trip.
