### **My Easter Holiday**

I went to Zhu Hai last Easter Holiday. My family and I packed clothes, lots of tissue packets and a lot more.

After a while, we finally arrived. First, we checked in at the hotel. Our room had a balcony, a very large bed and good air-conditioners. When we were done loading the luggage into the room, we went to the hotel. I rode the games and it was fun.

Overall the trip was fantastic.

### **My Easter Holiday**

I had an Easter holiday on 23<sup>rd</sup> March to 12 April. It was about two weeks.

Let me tell you what I did in my holiday. First, I went to Shen Zhen to have some yummy food. Then, I went to Zhong Shan. While travelling, I was sleepy. Then, I went to the hotel and took a nap. After that, I went to the restaurant that I wanted to try different kinds of cuisine. However, it was a pity because the restaurant was closed. At last, I went back to Hong Kong by a coach.

I hope we can go there again and taste the food in the restaurant we want to visit.

## My Easter Holiday

I went to Shen Zhen Safari Park with my family on the Easter holiday.

There was a very giant zoo, so we needed to go everywhere by train. We could see different animals. They were so cute and huge.

Then, I fed milk to the pigs and fed some carrots to the horses. I watched a circus show. It was great and amazing. I visited the jellyfish horse. It was my first time to see it. At last, I rode a horse. That was my first time. It was stimulating.

I felt joyful during my Easter holiday. I hope I can go there again.

### **My Easter Holiday**

I went to Zhu Hai with my mum, aunt, uncle and cousins last Easter Holiday. We took the coach to Zhuhai Port. Then we interchanged for a car to Hengqin.

We stayed in Penguin Hotel when we were in Zhu Hai. Penguin Hotel was decorated with fake penguins and they were so cute.

On the first day, after checking-in, we went to a theme park called Ocean Kingdom. It had a roller coaster and some games related to water. Then, we went back to the hotel and had lunch. The restaurant had a lot of penguins too. After having lunch, we continued to play at the theme park. At night, we watched a circus show and had buffet. Unfortunately, our seats were far from where we took the food.

The next day, we continued playing at the theme park. We went to a restaurant with not much food for me to eat in the afternoon. For dinner, we sat down and ordered some fried rice, noodles and so on.

On the last day, after checking-out, we bought three toy penguins. One of them was very cute. Then we rode the car back to the port and had dinner in Hong Kong.

In general, it was a great time spending in Zhu Hai. I hope we can stay longer there.

### **My Easter Holiday**

I went to Huizhou of mainland China with my family and relatives during last Easter Holiday. We went there by MTR. Then we interchanged the bus to go there.

When we arrived, we went to a restaurant first. I had a lot of delicious food. For example, chicken wings, fish balls, bean curd and three cups of orange juice.

After that, we went to the hotel. It was very beautiful and big. Mom asked me to walk in the lobby. So, I went to a lot of places. I even made Easter eggs too. The most special thing is the pink sand. I built a big sandcastle with my cousins. Also, I picked some sea shells.

At night, we went to the buffet to have dinner. All of us were very hungry. However, there was no waitress cleaning the table. About fifteen minutes later, I finally could have my food. I had some spaghetti and pizza. The food was really food and tasty.

We went back to the hotel when we finished dinner. Mum said I could sleep with my relatives. I felt so glad. Then, I took a shower as fast as I could. We had a long chat with them.

I liked this trip and I felt very happy about it. However, it was not long enough. I hope I can go to a trip with my family and relatives altogether again in the near future.

My Easter holiday was fun. My family and I went to Jui Hoi when it was Easter holiday.

We went to Jui Hoi by bus. Then, we went to a hotel. The hotel was really beautiful with a giant balcony.

Later, my family and I went to a theme park. We played the roller coaster and the merry-go-around. After playing the roller coaster, I had a little bit sick but I was alright.

At last, we had buffet. It was appetizing. We went to the hotel and rested.

To sum up, I had a great time with my family. I hope I can go there again. Looking forward to having another holiday in the near future.
