P.1 Field Trip

Our school field trip is on 3rd May, 24. We go to visit Kowloon Park. Kowloon Park is located in Tsim Sha Tsui.

We visit many places, such as cannons at Discovery Playground and pavilion at Chinese Garden. There are a lot of shapes we can find in the windows, like leaf, circle and hexagon.

We have snacks in the Chinese Garden, walk around the park and take photos.

I learn how to appreciate art and names of birds and trees. I see around five tiny frogs hopping in Bird Lake. I want to visit Kowloon Park again because this time I cannot go into The Maze.

Chinese New Year

In 2024, Chinese New Year starts on 10th February, and we enter the Year of the Dragon. There are fireworks and flower markets during the Chinese New Year. We decorated our house and bought new clothes. I like Chinese New Year very much, not only because I can have school holiday, but I can also get red packets from my parents and some relatives. Also, I can eat radish cake and a lot of festive food.
