On the day of school picnic, it was sunny and hot. We went to Pak Tam Chung Holiday Camp. When we arrived at the campsite, we took some group photos. After that, we played some group games and make handicraft.

Time flies, it is time to go home. I am looking forward to next year's school picnic.

It was 15th November, 2023 and I have a school picnic at my school LHT Primary School! I feel very excited when I get on the bus. On the bus, I chat with my friends.

When we got there. The name of the place was "Pak Tam Chung Holiday Camp". The first thing we need to do is to take a photo. When we finish taking the photo, we go to the field. Just then, my class teachers give out balls, jumping ropes and frisbees for us to play. I play with my friends. Later, my class teacher Miss Cho tells us we need to line up to go and do handicrafts. When we get there, I am surprised! There are so much crafts and stuff. I make a necklace and it has a commend Kingfisher. I like it very much. We go down to the playground to have recess. I eat chips and seaweed. Then, my class teachers say it is time to go. At the end, I feel tired.

We had a school picnic on 15th November, 2023. Our school arranged us to visit Pak Tam Chung Holiday Camp on that day.

I was very excited and happy to join the picnic because it is my first school picnic in my primary school life. It was a sunny day. I got up and went to school early.

We took a school bus to the camp. After we arrived, I played many games with my classmates. For example, I played ball games and skipped rope with my classmates.

Sometimes, my class teachers also joined our games.

It is a memorable and joyful day.
