### **Chinese Year Holiday**

I have a happy Chinese New Year holiday with my family in China. It was my first time going to Dapeng which is the hometown of my grandmother. We visit many relatives there. Their house is big and some with ducks, fish and bees in the garden.

We walk around Dapeng Ancient City which has 600 years of history already. At night, we play fireworks with my father and my sister. We have a lot of fun.
